

TOWN OF MARYSTOWN Bulk Curbside Collection Policy

Approval Date:	September 3, 2019
Effective Date:	September 3, 2019
Date Last Reviewed:	N/A

PURPOSE

The Town of Marystown recognizes that litter can damage the environment, is costly to clean up and is unsightly to both residents and visitors. Marystown's beauty is enhanced by regular curbside collection, including bulk curbside collection.

The purpose of this policy is to regulate the placement of bulk items at the curb prior to collection.

SCOPE

This policy applies to all residents within the municipality utilizing the bulk curbside collection service offered by the Burin Peninsula Regional Service Board.

POLICY STATEMENT

The Town of Marystown is committed to keeping Marystown clean and ensuring all community surroundings are enjoyable to both residents and visitors by minimizing the amount of time bulk items sit at the curb.

QUESTIONS

The Director of Planning & Development Control will act as a resource on Bulk Curbside Collection as it pertains to this policy.

PROCEDURE

The Burin Peninsula Regional Service Board offers ten (10) bulk curbside collections per year. There is no bulk curbside collection for the months of February and March.

The Burin Peninsula Regional Service Board is responsible for setting the schedule/time for bulk curbside collections. To ensure bulk items are picked up, they shall be placed at the curb no later than 8:00 a.m. on the designated day of collection as required by the Board.

To ensure the amount of time bulk items sit at the curb prior to the designated collection day is minimized, Council has decreed that bulk items are to be placed at the curb no earlier than the day of or the day before the designated day of collection.

Any bulk items placed at the curb before this specified time will be collected and disposed of by Town forces and the cost charged back to the property owner as a civil debt to Council. Property owners who fail to comply with this policy will receive advance notice of the Town's intent to collect the bulk items via a notice delivered by the Town's Anti-Litter Officer.

The Board determines which items are considered bulk items and eligible for curbside collection. Any bulk items remaining at the curb after the designated collection day that were determined to be ineligible for collection are to be removed from the curb and

properly disposed of by the property owner by transporting those items to the waste disposal site.

If eligible bulk items were placed at the curb on time on the designated day of collection but were not collected, the Burin Peninsula Regional Service Board will be responsible for ensuring those items are collected. If eligible bulk items were placed at the curb after the designated day of collection and subsequently not collected, the property owner will be responsible for storing those bulk items on the property until the next designated collection day or alternatively transporting those bulk items directly to the waste disposal site.
