The closing date for tender bids for the McGettigan Boulevard Water and Sewer CP2 Project, Project No. 17-RNC-20-000018 is tomorrow, April 20th. The Town has yet to receive confirmation from the provincial government regarding project funding. Councillor Keating advised that a delegation of Councillors may travel to St. John’s at some point to discuss funding if confirmation is not received soon. The tender call for the McGettigan Boulevard Traffic Lighting CP1 Project, Project No. 17-RNC-20-000018 is pending.

BE IT FURTHER RESOLVED approval be given to authorize Mayor Keating and the Chief Administrative Officer to sign the Prime Consultant Agreement.”

Motion carried unanimously.

Councillor Keating advised there have been issues with residents digging up or hiring someone to dig up water and sewer lines and then asking the Town to cover the cost once it’s discovered the issue is on the Town’s side of the line. Councillor Keating advised residents to call the Town first if they notice an issue with their water or sewer because once the line is dug up, it’s sometimes difficult for the outside workers to determine what caused the issue.

Several requests have been received for speed bumps. Council met earlier with the RCMP and while the Town will be putting some speed bumps back for the summer season, there will also be follow-up made with the RCMP to advise of those problem areas. Councillor Keating advised the Town has a speed bump policy which must be followed.

Bulk garbage collection has resumed. Residents were reminded not to put their bulk garbage to the curb any more than 24 hours prior to their collection day and to check the Burin Peninsula Waste

Management website for the schedule. Councillor Keating advised the Town will be hosting Clean-up Weeks later in May.

Regular operations are proceeding well. The winter shift has ended for the winter season although the Public Works Department is still prepared for unexpected snow. The outside workers are busy repairing potholes. Councillor Keating reminded residents to be patient and use caution, noting that while it can be costly to motorists to strike a pothole, it can also be dangerous to the motorists and pedestrians. Should a delegation of Council travel to St. John's, the issue with potholes on provincial roads will be brought forward.

Capital works projects are ongoing with a number of projects going to tender.

The water treatment plant is operating well with no major leaks around town.

A waste management meeting is scheduled for April 27th.

Councillor Nolan noted there’s been some debate in town regarding a sign posted near Braxton Suites on Creston Boulevard advising commercial/industrial truckers not to enter onto Creston Boulevard and ultimately, Canning Bridge. A post has been put on Facebook and Twitter explaining the purpose of the sign. Councillor Keating advised the sign was further discussed and the Department is looking at relocating the sign to a more appropriate location. It was noted as well that the typo on the sign will be fixed.

Recreation Committee

Deputy Mayor Walsh advised the Recreation Committee has not met since the last regular Council meeting of March 15, 2022.

Deputy Mayor Walsh is continuing to meet with the Playground Committees and recently met with the committee in Little Bay. To date, there are five engaged committees that Deputy Mayor Walsh will be working with for the purpose of upgrading the playgrounds. Deputy Mayor Walsh will be working on a plan with recommendations that will be brought to Council.

Volunteer Week will take place April 24-30, 2022 with Volunteer Appreciation Night taking place on April 27th at St. Gabriel's Hall. The Recreation Department has started planning for the event and will be following up with all volunteer groups.

The MNL is hosting a contest where 50 gift cards worth \$100.00 each will be awarded for the purpose of purchasing paint and supplies to assist with Come Home Year. An application has been submitted for paint for the Town's gazebo.

The Kaetlyn Osmond Arena is operating well with tournaments ongoing and another taking place tomorrow. Deputy Mayor Walsh congratulated all teams that participating in the tournaments, noting Marystown has taken home a silver and a bronze medal to date.

With summer approaching, anything of concern regarding the outdoor facilities will be discussed and addressed.

The Easter Bonfire took place on Thursday last week; Deputy Mayor Walsh noted it was great to see such a big turnout.

Plans for Come Home Year are ongoing and the Recreation Committee will assist the Tourism & Special Events Committee where needed. The Town will host a softball tournament during Come Home Year from August 19th to 21st.

Tourism & Special Events Committee

Councillor Hodder reviewed the minutes of the Tourism & Special Events Committee meeting held on April 11, 2022,

Councillor Hodder advised the Model Ship Gallery has been featured in the latest issue of the Downhome Magazine, noting it was great to see tourism in the area.

Legendary Coasts of Eastern NL will host the Burin Peninsula Heritage Run tourism Forum from May 15th to 17th, which will include a tour of the Burin Peninsula. Anyone interested in participating can call the Town for more information.

Councillor Hodder noted a small mistake in the schedule of events for Come Home Year. The homemade quilt exhibition scheduled for August 20th will actually take place at the Pentecostal Church and not the Merge.

As mentioned by Deputy Mayor Walsh, the Easter Bonfire was a huge success. Councillor Hodder thanked Tim Hortons, the Calvary Pentecostal Church and Pastor Jamie, the Salvation Army and Linda Stockley, Aylwards Home Hardware, Grace Sparkes House, Burin Peninsula Voice Against Violence, Jeff Pittman, the Marystown Volunteer Fire Department, the RCMP and all volunteers with the Tourism & Special Events Committee and the Recreation Committee as without volunteers, community events would not be possible.

Residents have raised concerns regarding drug use in the area, discarded needles, etc. Council met with the RCMP earlier this evening and discussed those concerns.

Fire Chief Bolt has been speaking to the new NL Crime Stoppers Coordinator. Crime Stoppers is interested in revamping the program in Marystown and the surrounding area. A meeting will be scheduled between the Town and the Coordinator to discuss the details in setting up a Board of Directors and seeking volunteers to coordinate the Crime Stoppers Program. More details will be available as this item progresses.

Concerns have been brought forward again regarding ducks in the Greenwood Street area. As this is the season for active duck presence, this issue will be monitored. Councillor Nolan again reminded residents not to feed the ducks. Mayor Keating advised the Animal Control Officer will be setting up traps for the ducks.

The Marystown Volunteer Fire Department has responded to one emergency call since the last Committee meeting.

An Occupational Health & Safety Committee meeting took place last week and training and other activities are ongoing.

Fire Chief Bolt met with Sgt. McKean of the Burin Peninsula RCMP Detachment regarding the mock disaster that the Town has been planning for. These sessions are now tentatively scheduled to start in September with a full mock disaster planned for the spring of 2023.

Mayor Keating commended the local fire departments on how well they work together when emergencies arise.

The Committee had a discussion regarding property owners living outside the Marystown boundaries potentially paying a service fee for fire and emergency services. This topic will be further followed up on by the CAO and Fire Chief Bolt.

As per Fire Chief Bolt, the annual motor vehicle inspections on the Department's fleet have been completed and there were no major issues.

Applications for the Junior Firefighters Program are now being accepted with the program scheduled to start in September.

New mini splits are currently being installed at the Fire Hall. Fire Chief Bolt is researching any green funding that may be available for other similar improvements.

Councillor Nolan reminded Council that a meeting has been scheduled between Council and the Fire Department for April 25th at 7:00 p.m.

As noted earlier, the Town is receiving requests for speed bumps to be installed in various areas of town. These requests will be reviewed by the Public Works Committee.

Councillor Nolan reminded residents that the Town has a Bulk Curbside Collection Policy in place. Bulk garbage has already been placed to the curb in several areas of town even though collection is not scheduled to take place until next week. Bulk garbage collection takes place on the fourth Tuesday, Wednesday and Thursday of each month in Marystown (April 26-28 and May 24-26). Councillor Nolan reminded residents not to place bulk garbage to the curb any earlier than 24 hours prior to collection.

Councillor Nolan also reminded residents transporting debris/waste to the waste disposal site to ensure their loads are secured and covered by a net to prevent unnecessary litter from being left on the roadside.

Plans are underway for this year's anti-litter campaign. Clean-up Weeks have been scheduled for May 15th to 28th.

Councillor Nolan encouraged all residents to join Team Green and help keep Marystown clean and further encouraged all groups/organizations/businesses/individuals to do their part to help keep our town clean. This year is Come Home Year, a time to show pride and get control of litter. Those interested in participating in the clean-up were advised to contact Councillor Nolan or the Town Office or show up to the Clean-up Blitz on May 14th. The Town will provide garbage bags and gloves. As the weather continues to improve, participation in early clean-up were welcomed and encouraged.

7. Correspondence

There was no correspondence to bring forward.

8. Approvals to Purchase

Before tabling the approvals to purchase, Councillor Edwards noted that during Council's meeting with the RCMP earlier, it was stated that the RCMP can issue tickets for littering, as high as \$500.00. Sgt. McKean is looking into provincial statutes and if it can be enforced, it will be enforced. Residents are encouraged to take pictures and save dash cam footage for the purpose of pressing charges. Mayor Keating noted it's everyone's responsibility to keep Marystown clean.
