Please read and check each of the following to ensure complete understanding:

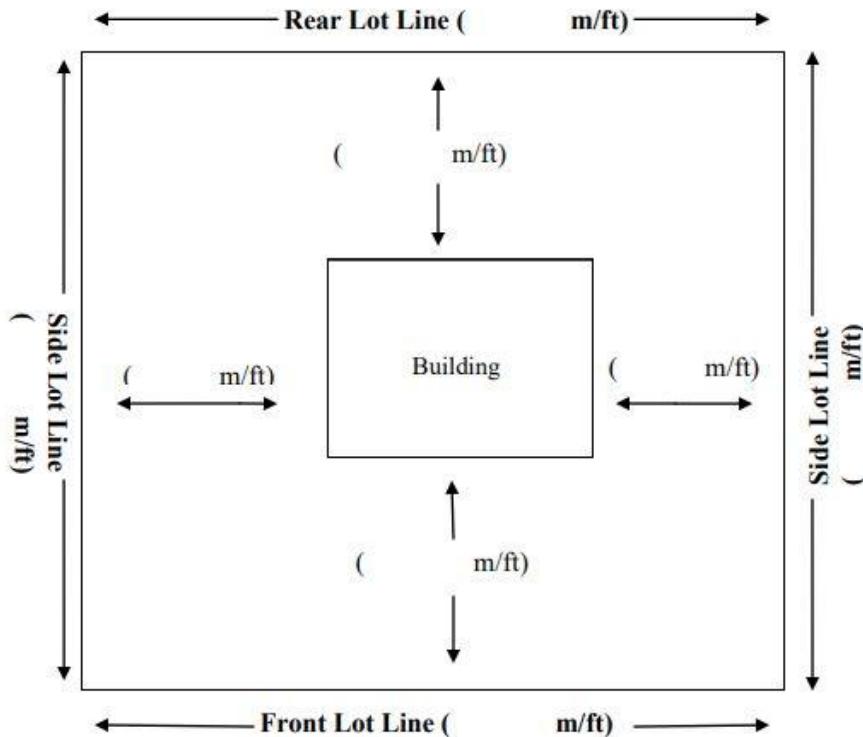

- I cannot begin development of land nor erection of the building until all permits have been issued and conditions complied with.
- I realize that there may be at least a two-week waiting period before my application is brought before Council.
- I am completely responsible for the cost of water or sewerage connections from the Town's main line(s).
- I agree to payment of hook-up within 30 days after installation or 30 days after occupancy. I realize that service can be disconnected if payment is not made within the 30-day period.
- I am responsible for the cost of an 18" diameter culvert which the Town will install prior to occupancy.
- I agree to provide copies of easement for road, sewer, etc.; if applicable.
- If commencement of the building does not begin within two years from the date of Council's approval, the permit will be null and void and a new application must be submitted to Council.
- A permit cannot be issued until application is approved by Council.
- A permit cannot be issued until recommendations are received from the Department of Health and Community Services, Department of Environment, Conservation and Climate Change, Department of Transportation and Infrastructure and other Government Agencies, etc.; if applicable.
- I agree to notify Council in writing of any changes in the above specifications before construction.
- The land or building must not be occupied without an Occupancy Permit.
- Any permit issued does not authorize use of crown land or other land without a lease or grant from the Crown or permission from the owner.
- I am completely responsible for attaining legal ownership of my land and right of way pertaining thereto and Council has no jurisdiction over land ownership, and I herein agree to provide Council with a Legal Survey of my land.
- I am responsible for attending to all Government approvals needed; and herein undertake to comply with all such regulations.
- It is my responsibility to ensure that all construction and renovations comply with the requirements of the Town of Marystow's Development Regulations (<https://marystow.ca/site/uploads/2020/09/development-regulations-2017-2027.pdf>), the National Building Code and National Fire Code and its supplementary codes for all work undertaken.

I, _____, hereby apply for permission to carry out the development described herein. I declare that all information given by me in connection with this application is true and correct to the best of my knowledge and belief and that the development described in this application, if permitted, will be carried out in accordance with all applicable laws and regulation of the Province and Municipality.
